Albert Hay Malotte composed his famous setting of "The Lord's Prayer" in 1935, using the text of Matthew 6:9-13 (KJV) alongside the traditional closing doxology ("for thine is the kingdom, and the power, and the glory forever. Amen"). That same year, Walt Disney hired Malotte for the Disney Studios music department, where he went on to score 18 animated shorts, primarily for the Silly Symphony series.

To Good To Hold Brunch

Saturday, September 12

Join us for brunch as we celebrate the dedication, planning, and many hours of work contributed by the Admiral congregation over the past year. Together, we will reflect on our accomplishments, revisit what we learned from last year's conversations about our future, and begin mapping out our next steps.

Our theme, **"Too Good to Hold,"** expresses our commitment to sharing our light throughout North Admiral and the wider community.

Hosted by Admiral Church's Sustainability and Stewardship Committee.
